

CANAAN INC.

AUDIT COMMITTEE CHARTER

This Audit Committee Charter (the “Audit Committee Charter”) was adopted by the Board of Directors (the “Board”) of Canaan Inc., a company incorporated and existing under the laws of the Cayman Islands (the “Company”), on Oct 4, 2019, and shall become effective immediately upon the completion of the Company’s initial public offering of its ordinary shares, represented by American depositary shares, in the United States and elsewhere.

- 1. Purpose; Limitations on Duties.** The purpose of the Audit Committee (the “Committee”) is to assist the Board in overseeing the accounting and financial reporting processes of the Company and audits of the financial statements of the Company and to prepare the annual report of the Audit Committee required by applicable United States Securities and Exchange Commission (“SEC”) disclosure rules. In doing so, it is the responsibility of the Committee to provide an open avenue of communication between the Board, management, internal audit firm (or other personnel responsible for the internal audit function) and the independent auditors. Among the matters the Committee will oversee are (a) the Company’s accounting and financial reporting processes, (b) the integrity of the Company’s financial statements, (c) the Company’s compliance with legal and regulatory requirements, (d) the independent auditors’ qualifications and independence, (e) the performance of Company’s internal audit, accounting and financial controls and independent auditors, and (f) any other matters falling within the Committee’s authority or responsibility under the applicable laws and regulations.

The function of the Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company’s financial statements. The management is solely responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company’s annual financial statements and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and must carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s memorandum and articles of association, as amended and restated from time to time (the “Memorandum and Articles of Association”). The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee’s sole discretion. While acting within the scope of the powers and

responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

The independent auditors for the Company are accountable to the Committee, as representatives of the shareholders. The Committee is directly responsible for the appointment, compensation and oversight of the work of the independent auditors (including resolving disagreements between management and the independent auditors regarding financial reporting). The Committee has the authority and responsibility to appoint, retain and terminate the Company's independent auditors (subject, if applicable, to stockholder ratification). The Company's independent auditors shall report directly to the Committee.

2. **Membership; Appointment; Financial Expert.** The Committee will consist of two or more directors of the Board, each of whom must be an "audit committee independent director" pursuant to SEC rules and shall satisfy the independence requirements under the Nasdaq Stock Market Rules and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), both of which are set forth in Annex A hereto.

The members of the Committee will be appointed by and serve at the discretion of the Board. The chairperson of the Committee (the "Chairperson") will be appointed by the Board. Committee members may be removed from the Committee, with or without cause, by the Board. The Board shall also determine whether each member is financially literate under the Nasdaq Stock Market Rules and that at least one member of the Committee is an "audit committee financial expert" defined in Item 16A of Form 20-F, the requirements for which are set forth in Annex B hereto. Section 13(a) of the Exchange Act requires the Company to disclose whether or not one member of the Committee is an audit committee financial expert.

3. **Specific Responsibilities and Duties.** The Board delegates to the Committee the express responsibility and authority to:

3.1 Independent Auditors.

- (a) **Selection and Fees.** Be solely and directly responsible for the appointment, compensation, retention, evaluation, and oversight of the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and, where appropriate, the termination and replacement of such firm. Such independent auditors shall report directly to and be ultimately accountable to the Committee. The Committee has the ultimate authority to approve all audit engagement fees and terms, with the costs of all engagements borne by the Company.
- (b) **Audit Team.** Review the experience and qualifications of the senior members of the independent auditors' team.

- (c) **Scope of Audit.** Review, evaluate and approve the annual engagement proposal of the independent auditors (including the proposed scope and approach of the annual audit).
- (d) **Lead Audit Partner Review, Evaluation and Rotation.** Review and evaluate the lead partner of the independent auditors. - (e) **Pre-Approval of Audit and Non-Audit Services.** Pre-approve all auditing services and all non-audit services permitted to be performed by the independent auditors, and to consider whether the performance by the outside auditors of non-audit services is compatible with maintaining the independence of the outside auditors. Such pre-approval may be given as part of the Committee's approval of the scope of the engagement of the independent auditors or on an engagement-by-engagement basis or pursuant to pre-established policies. In addition, the authority to pre-approve non-audit services may be delegated by the Committee to one or more of its members, but such member's or members' non-audit service approval decisions must be reported to the full Committee at the next regularly scheduled meeting. The Company shall disclose in its annual reports (and periodic reports, if any) required by Section 13(a) of the Exchange Act any approval of non-audit services during the period covered by the applicable report. The independent auditors shall not be retained to perform the non-audit functions prohibited by applicable law and the rules of the SEC. A list of prohibited non-audit functions, as defined in Section 10A(g) of the Exchange Act, is set forth in Annex C hereto.
- (f) **Statement from Independent Auditors.** At least annually, obtain and review a statement from the independent auditors (it being understood that the independent auditors are responsible for the accuracy and completeness of such report) describing:
 - (i) the independent auditors' internal quality-control procedures;
 - (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and
 - (iii) all relationships between the independent auditors and the Company (to assess the independent auditors' independence), including each non-audit service provided to the Company and at least the matters set forth in Independence Standards Board Standard No. 1.

- (g) **Statement of Fees from Independent Auditors.** The independent auditors shall submit to the Committee annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors:
- (i) the audit of the Company’s annual financial statements or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements;

 - (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service.
- (h) **Hiring Policies.** Set clear hiring policies for employees and former employees of the independent auditors. At a minimum, these policies shall provide that any registered public accounting firm may not provide audit services to the Company if the chief executive officer, chief financial officer (or equivalent thereof, including the chief accounting officer) or any person serving in an equivalent capacity for the Company was employed by the registered public accounting firm and participated in the audit of the Company within one year of the initiation of the current audit.
- (i) **Review Problems.** Review with the independent auditors any audit problems or difficulties the independent auditors may have encountered in the course of its audit work, and management’s responses, including: (i) any restrictions on the scope of activities or access to requested information and (ii) any significant disagreements with management and management’s responses to such matters.

Ensure that the Company's independent auditors have sufficient access to and time to review such internal control procedures so that the Company may obtain from the independent auditors the Attestation of the Company's Independent Auditor as to the Company's internal controls and procedures in connection with the filing of the Company's Annual Report on Form 20-F and otherwise in accordance with Item 15(c) of Form 20-F.

- (a) **Non-GAAP Information.** The Committee shall discuss with Company management and the independent auditor the Company's earnings press releases (with particular focus on any "pro forma" or "adjusted" non-GAAP information) and any financial information and earnings guidance provided to analysts and rating agencies. The Committee's discussion in this regard may be general in nature (i.e., discussion of the type of information to be disclosed and the type of presentations to be made) and need not take place in advance of each earnings release or each instance in which the Company may provide earnings guidance.
- (b) **Related Party Transactions.** Conduct an appropriate review of all proposed related-party transactions (which term refers to transactions that would be required to be disclosed pursuant to Item 7B of Form 20-F as described in Annex D hereto), including proposed amendments to existing related party transactions. 4.3 Other Meetings. Other meetings will be with such frequency, and at such times, as the Chairperson, or a majority of the Committee, determines, but the Committee shall meet at least quarterly. Special meetings of the Committee may be called by the Chairperson and will be called promptly upon the request of any two Committee members. The agenda of each meeting will be prepared by the Chairperson and circulated, if practicable, to each member prior to the meeting date. 4.4 Minutes. The Committee shall ensure that minutes of each meeting are recorded and approved at the next meeting.

5. Resources and Authority. The Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select,

retain, terminate and approve the fees and other retention terms of special or independent counsel, auditors or other experts and advisors, as it deems necessary or appropriate, without seeking approval of the Board or management.

The Company shall provide for appropriate funding, as determined solely in the Committee's discretion, for payment of compensation to any such persons employed by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

6. **Rules and Procedures.** Except as expressly set forth in this Audit Committee Charter or the Company's Memorandum and Articles of Association, as amended and restated from time to time, or the Corporate Governance Guidelines, or as otherwise provided by law or the rules of the New York Stock Exchange, the Committee shall establish its own rules and procedures.

Annex A

Nasdaq Stock Market Rules 5605(c) – Audit Committee Requirements

(c) Audit Committee Requirements

(1) Audit Committee Charter

Each Company must certify that it has adopted a formal written audit committee charter and that the audit committee will review and reassess the adequacy of the formal written charter on an annual basis. The charter must specify:

(A) the scope of the audit committee's responsibilities, and how it carries out those responsibilities, including structure, processes and membership requirements;

(B) the audit committee's responsibility for ensuring its receipt from the outside auditors of a formal written statement delineating all relationships between the auditor and the Company, actively engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking, or recommending that the full board take, appropriate action to oversee the independence of the outside auditor;

(C) the committee's purpose of overseeing the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company; and

(D) the specific audit committee responsibilities and authority set forth in Rule 5605(c)(3).

IM-5605-3. Audit Committee Charter

Each Company is required to adopt a formal written charter that specifies the scope of its responsibilities and the means by which it carries out those responsibilities; the outside auditor's accountability to the audit committee; and the audit committee's responsibility to ensure the independence of the outside auditor. Consistent with this, the charter must specify all audit committee responsibilities set forth in Rule 10A-3(b)(2), (3), (4) and (5) under the Act. Rule 10A-3(b)(3)(ii) under the Act requires that each audit committee must establish procedures for the confidential, anonymous submission by employees of the listed Company of concerns regarding questionable accounting or auditing matters. The rights and responsibilities as articulated in the audit committee charter empower the audit committee and enhance its effectiveness in carrying out its responsibilities.

Rule 5605(c)(3) imposes additional requirements for investment company audit committees that must also be set forth in audit committee charters for these Companies.

(2) Audit Committee Composition

(A) Each Company must have, and certify that it has and will continue to have, an audit committee of at least three members, each of whom must: (i) be an Independent Director as defined under Rule 5605(a)(2); (ii) meet the criteria for independence set forth in Rule 10A-

3(b)(1) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act); (iii) not have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years; and (iv) be able to read and understand fundamental financial statements, including a Company's balance sheet, income statement, and cash flow statement. Additionally, each Company must certify that it has, and will continue to have, at least one member of the audit committee who has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

(B) Non-Independent Director for Exceptional and Limited Circumstances

Notwithstanding paragraph (2)(A)(i), one director who: (i) is not an Independent Director as defined in Rule 5605(a)(2); (ii) meets the criteria set forth in Section 10A(m)(3) under the Act and the rules thereunder; and (iii) is not currently an Executive Officer or employee or a Family Member of an Executive Officer, may be appointed to the audit committee, if the board, under exceptional and limited circumstances, determines that membership on the committee by the individual is required by the best interests of the Company and its Shareholders. A Company, other than a Foreign Private Issuer, that relies on this exception must comply with the disclosure requirements set forth in Item 407(d)(2) of Regulation S-K. A Foreign Private Issuer that relies on this exception must disclose in its next annual report (e.g., Form 20-F or 40-F) the nature of the relationship that makes the individual not independent and the reasons for the board's determination. A member appointed under this exception may not serve longer than two years and may not chair the audit committee.

IM-5605-4. Audit Committee Composition

Audit committees are required to have a minimum of three members and be comprised only of Independent Directors. In addition to satisfying the Independent Director requirements under Rule 5605(a)(2), audit committee members must meet the criteria for independence set forth in Rule 10A-3(b)(1) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act): they must not accept any consulting, advisory, or other compensatory fee from the Company other than for board service, and they must not be an affiliated person of the Company. As described in Rule 10A-3(d)(1) and (2), a Company must disclose reliance on certain exceptions from Rule 10A-3 and disclose an assessment of whether, and if so, how, such reliance would materially adversely affect the ability of the audit committee to act independently and to satisfy the other requirements of Rule 10A-3. It is recommended also that a Company disclose in its annual proxy (or, if the Company does not file a proxy, in its Form 10-K or 20-F) if any director is deemed eligible to serve on the audit committee but falls outside the safe harbor provisions of Rule 10A-3(e)(1)(ii) under the Act. A director who qualifies as an audit committee financial expert under Item 407(d)(5)(ii) and (iii) of Regulation S-K is presumed to qualify as a financially sophisticated audit committee member under Rule 5605(c)(2)(A).

(3) Audit Committee Responsibilities and Authority

The audit committee must have the specific audit committee responsibilities and authority necessary to comply with Rule 10A-3(b)(2), (3), (4) and (5) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act), concerning responsibilities relating to: (i) registered public accounting firms, (ii) complaints relating to accounting, internal accounting controls or auditing matters, (iii) authority to engage advisers, and (iv) funding as determined by the audit committee. Audit committees for investment companies must also establish procedures for the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters by employees of the investment adviser, administrator, principal underwriter, or any other provider of accounting related services for the investment company, as well as employees of the investment company.

IM-5605-5. The Audit Committee Responsibilities and Authority

Audit committees must have the specific audit committee responsibilities and authority necessary to comply with Rule 10A-3(b)(2), (3), (4) and (5) under the Act (subject to the exemptions provided in Rule 10A-3(c) under the Act), concerning responsibilities relating to registered public accounting firms; complaints relating to accounting; internal accounting controls or auditing matters; authority to engage advisers; and funding. Audit committees for investment companies must also establish procedures for the confidential, anonymous submission of concerns regarding questionable accounting or auditing matters by employees of the investment adviser, administrator, principal underwriter, or any other provider of accounting related services for the investment company, as well as employees of the investment company.

(4) Cure Periods for Audit Committee

(A) If a Company fails to comply with the audit committee composition requirement under Rule 10A-3(b)(1) under the Act and Rule 5605(c)(2)(A) because an audit committee member ceases to be independent for reasons outside the member's reasonable control, the audit committee member may remain on the audit committee until the earlier of its next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement. A Company relying on this provision must provide notice to Nasdaq immediately upon learning of the event or circumstance that caused the noncompliance.

(B) If a Company fails to comply with the audit committee composition requirement under Rule 5605(c)(2)(A) due to one vacancy on the audit committee, and the cure period in paragraph (A) is not otherwise being relied upon for another member, the Company will have until the earlier of the next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement; provided, however, that if the annual shareholders meeting occurs no later than 180 days following the event that caused the vacancy, the Company shall instead have 180 days from such event to regain compliance. A Company relying on this provision must provide notice to Nasdaq immediately upon learning of the event or circumstance that caused the noncompliance.

(5) Exception

At any time when a Company has a class of common equity securities (or similar securities') that is listed on another national securities exchange or national securities association subject to the

requirements of Rule 10A-3 under the Act, the listing of classes of securities of a direct or indirect consolidated subsidiary or an at least 50% beneficially owned subsidiary of the Company (except classes of equity securities, other than non-convertible, non-participating preferred securities, of such subsidiary) shall not be subject to the requirements of Rule 5605(c).

Nasdaq Stock Market Rules 5615(a)(3) – Exemptions to the Corporate Governance Requirements for Foreign Private Issuers

(A) A Foreign Private Issuer may follow its home country practice in lieu of the requirements of the Rule 5600 Series, the requirement to disclose third party director and nominee compensation set forth in Rule 5250(b)(3), and the requirement to distribute annual and interim reports set forth in Rule 5250(d), provided, however, that such a Company shall: comply with the Notification of Noncompliance requirement (Rule 5625), the Voting Rights requirement (Rule 5640), have an audit committee that satisfies Rule 5605(c)(3), and ensure that such audit committee's members meet the independence requirement in Rule 5605(c)(2)(A)(ii). Except as provided in this paragraph, a Foreign Private Issuer must comply with the requirements of the Rule 5000 Series.

(B) Disclosure Requirements

(i) A Foreign Private Issuer that follows a home country practice in lieu of one or more of the Listing Rules shall disclose in its annual reports filed with the Commission each requirement that it does not follow and describe the home country practice followed by the Company in lieu of such requirements. Alternatively, a Foreign Private Issuer that is not required to file its annual report with the Commission on Form 20-F may make this disclosure only on its website. A Foreign Private Issuer that follows a home country practice in lieu of the requirement in Rule 5605(d)(2) to have an independent compensation committee must disclose in its annual reports filed with the Commission the reasons why it does not have such an independent committee.

(ii) A Foreign Private Issuer making its initial public offering or first U.S. listing on Nasdaq shall disclose in its registration statement or on its website each requirement that it does not follow and describe the home country practice followed by the Company in lieu of such requirements.

IM-5615-3. Foreign Private Issuers

A Foreign Private Issuer (as defined in Rule 5005) listed on Nasdaq may follow the practice in such Company's home country (as defined in General Instruction F of Form 20-F) in lieu of the provisions of the Rule 5600 Series, Rule 5250(b)(3), and Rule 5250(d), subject to several important exceptions. First, such an issuer shall comply with Rule 5625 (Notification of Noncompliance). Second, such a Company shall have an audit committee that satisfies Rule 5605(c)(3). Third, members of such audit committee shall meet the criteria for independence referenced in Rule 5605(c)(2)(A)(ii) (the criteria set forth in Rule 10A-3(b)(1) under the Act, subject to the exemptions provided in Rule 10A-3(c) under the Act). Finally, a Foreign Private Issuer that elects to follow home country practice in lieu of a requirement of Rules 5600, 5250(b)(3), or 5250(d) shall submit to Nasdaq a written statement from an independent counsel

in such Company's home country certifying that the Company's practices are not prohibited by the home country's laws. In the case of new listings, this certification is required at the time of listing. For existing Companies, the certification is required at the time the Company seeks to adopt its first noncompliant practice. In the interest of transparency, the rule requires a Foreign Private Issuer to make appropriate disclosures in the Company's annual filings with the Commission (typically Form 20-F or 40-F), and at the time of the Company's original listing in the United States, if that listing is on Nasdaq, in its registration statement (typically Form F-1, 20-F, or 40-F); alternatively, a Company that is not required to file an annual report on Form 20-F may provide these disclosures in English on its website in addition to, or instead of, providing these disclosures on its registration statement or annual report. The Company shall disclose each requirement that it does not follow and include a brief statement of the home country practice the Company follows in lieu of these corporate governance requirement(s). If the disclosure is only available on the website, the annual report and registration statement should so state and provide the web address at which the information may be obtained. Companies that must file annual reports on Form 20-F are encouraged to provide these disclosures on their websites, in addition to the required Form 20-F disclosures, to provide maximum transparency about their practices.

Nasdaq Stock Market Rules 5605(a)(2) – Independence Test

“Independent Director” means a person other than an Executive Officer or employee of the Company or any other individual having a relationship which, in the opinion of the Company's board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. For purposes of this rule, “Family Member” means a person's spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person's home. The following persons shall not be considered independent:

- (A) a director who is, or at any time during the past three years was, employed by the Company;
- (B) a director who accepted or who has a Family Member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:
 - (i) compensation for board or board committee service;
 - (ii) compensation paid to a Family Member who is an employee (other than an Executive Officer) of the Company; or
 - (iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Provided, however, that in addition to the requirements contained in this paragraph (B), audit committee members are also subject to additional, more stringent requirements under Rule 5605(c)(2).

- (C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the Company as an Executive Officer;
- (D) a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder or an Executive Officer of, any organization to which the Company made, or from which the

Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

- (i) payments arising solely from investments in the Company's securities; or
- (ii) payments under non-discretionary charitable contribution matching programs.

(E) a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or

(F) a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

(G) in the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an "interested person" of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the board of directors or any board committee.

IM-5605. Definition of Independence — Rule 5605(a)(2)

It is important for investors to have confidence that individuals serving as Independent Directors do not have a relationship with the listed Company that would impair their independence. The board has a responsibility to make an affirmative determination that no such relationships exist through the application of Rule 5605(a)(2). Rule 5605(a)(2) also provides a list of certain relationships that preclude a board finding of independence. These objective measures provide transparency to investors and Companies, facilitate uniform application of the rules, and ease administration. Because Nasdaq does not believe that ownership of Company stock by itself would preclude a board finding of independence, it is not included in the aforementioned objective factors. It should be noted that there are additional, more stringent requirements that apply to directors serving on audit committees, as specified in Rule 5605(c).

The Rule's reference to the "Company" includes any parent or subsidiary of the Company. The term "parent or subsidiary" is intended to cover entities the Company controls and consolidates with the Company's financial statements as filed with the Commission (but not if the Company reflects such entity solely as an investment in its financial statements). The reference to Executive Officer means those officers covered in Rule 16a-1(f) under the Act. In the context of the definition of Family Member under Rule 5605(a)(2), the reference to marriage is intended to capture relationships specified in the Rule (parents, children and siblings) that arise as a result of marriage, such as "in-law" relationships.

The three year look-back periods referenced in paragraphs (A), (C), (E) and (F) of the Rule commence on the date the relationship ceases. For example, a director employed by the Company is not independent until three years after such employment terminates.

For purposes of paragraph (A) of the Rule, employment by a director as an Executive Officer on an interim basis shall not disqualify that director from being considered independent following such employment, provided the interim employment did not last longer than one year. A director would not be considered independent while serving as an interim officer. Similarly, for purposes of paragraph (B) of the Rule, compensation received by a director for former service as an interim Executive Officer need not be considered as compensation in determining independence after such service, provided such interim employment did not last longer than one year. Nonetheless, the Company's board of directors still must consider whether such former employment and any compensation received would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. In addition, if the director participated in the preparation of the Company's financial statements while serving as an interim Executive Officer, Rule 5605(c)(2)(A)(iii) would preclude service on the audit committee for three years.

Paragraph (B) of the Rule is generally intended to capture situations where a compensation is made directly to (or for the benefit of) the director or a Family Member of the director. For example, consulting or personal service contracts with a director or Family Member of the director would be analyzed under paragraph (B) of the Rule. In addition, political contributions to the campaign of a director or a Family Member of the director would be considered indirect compensation under paragraph (B). Non-preferential payments made in the ordinary course of providing business services (such as payments of interest or proceeds related to banking services or loans by a Company that is a financial institution or payment of claims on a policy by a Company that is an insurance company), payments arising solely from investments in the Company's securities and loans permitted under Section 13(k) of the Act will not preclude a finding of director independence as long as the payments are non-compensatory in nature. Depending on the circumstances, a loan or payment could be compensatory if, for example, it is not on terms generally available to the public.

Paragraph (D) of the Rule is generally intended to capture payments to an entity with which the director or Family Member of the director is affiliated by serving as a partner, controlling Shareholder or Executive Officer of such entity. Under exceptional circumstances, such as where a director has direct, significant business holdings, it may be appropriate to apply the corporate measurements in paragraph (D), rather than the individual measurements of paragraph (B). Issuers should contact Nasdaq if they wish to apply the Rule in this manner. The reference to a partner in paragraph (D) is not intended to include limited partners. It should be noted that the independence requirements of paragraph (D) of the Rule are broader than Rule 10A-3(e)(8) under the Act.

Under paragraph (D), a director who is, or who has a Family Member who is, an Executive Officer of a charitable organization may not be considered independent if the Company makes payments to the charity in excess of the greater of 5% of the charity's revenues or \$200,000. However, Nasdaq encourages Companies to consider other situations where a director or their Family Member and the Company each have a relationship with the same charity when assessing director independence.

For purposes of determining whether a lawyer is eligible to serve on an audit committee, Rule 10A-3 under the Act generally provides that any partner in a law firm that receives payments

from the issuer is ineligible to serve on that issuer's audit committee. In determining whether a director may be considered independent for purposes other than the audit committee, payments to a law firm would generally be considered under Rule 5605(a)(2), which looks to whether the payment exceeds the greater of 5% of the recipient's gross revenues or \$200,000; however, if the firm is a sole proprietorship, Rule 5605(a)(2)(B), which looks to whether the payment exceeds \$120,000, applies.

Paragraph (G) of the Rule provides a different measurement for independence for investment companies in order to harmonize with the Investment Company Act of 1940. In particular, in lieu of paragraphs (A)-(F), a director who is an "interested person" of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the board of directors or any board committee, shall not be considered independent.

Rule 10A-3(b)(1) of the Exchange Act – Listing Standards Relating to Audit Committee – Independence Criteria

(1) Independence.

(i) Each member of the audit committee must be a member of the board of directors of the listed issuer, and must otherwise be independent; provided that, where a listed issuer is one of two dual holding companies, those companies may designate one audit committee for both companies so long as each member of the audit committee is a member of the board of directors of at least one of such dual holding companies.

(ii) Independence requirements for non-investment company issuers. In order to be considered to be independent for purposes of Rule 10A-3(b)(1), a member of an audit committee of a listed issuer that is not an investment company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee:

(A) Accept directly or indirectly any consulting, advisory, or other compensatory fee from the issuer or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the listed issuer (provided that such compensation is not contingent in any way on continued service); or

(B) Be an affiliated person of the issuer or any subsidiary thereof.

(iii) Independence requirements for investment company issuers. In order to be considered to be independent for purposes of this paragraph (b)(1), a member of an audit committee of a listed issuer that is an investment company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee:

(A) Accept directly or indirectly any consulting, advisory, or other compensatory fee from the issuer or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the listed issuer (provided that such compensation is not contingent in any way on continued service); or

(B) Be an “interested person” of the issuer as defined in section 2(a)(19) of the Investment Company Act of 1940.

(iv) Exemptions from the independence requirements.

(A) For an issuer listing securities pursuant to a registration statement under section 12 of the Act, or for an issuer that has a registration statement under the Securities Act of 1933 covering an initial public offering of securities to be listed by the issuer, where in each case the listed issuer was not, immediately prior to the effective date of such registration statement, required to file reports with the Commission pursuant to section 13(a) or 15(d) of the Act:

(1) All but one of the members of the listed issuer's audit committee may be exempt from the independence requirements of paragraph (b)(1)(ii) of this section for 90 days from the date of effectiveness of such registration statement; and

(2) A minority of the members of the listed issuer's audit committee may be exempt from the independence requirements of paragraph (b)(1)(ii) of this section for one year from the date of effectiveness of such registration statement.

(B) An audit committee member that sits on the board of directors of a listed issuer and an affiliate of the listed issuer is exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if the member, except for being a director on each such board of directors, otherwise meets the independence requirements of paragraph (b)(1)(ii) of this section for each such entity, including the receipt of only ordinary-course compensation for serving as a member of the board of directors, audit committee or any other board committee of each such entity.

(C) An employee of a foreign private issuer who is not an executive officer of the foreign private issuer is exempt from the requirements of paragraph (b)(1)(ii) of this section if the employee is elected or named to the board of directors or audit committee of the foreign private issuer pursuant to the issuer's governing law or documents, an employee collective bargaining or similar agreement or other home country legal or listing requirements.

(D) An audit committee member of a foreign private issuer may be exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if that member meets the following requirements:

(1) The member is an affiliate of the foreign private issuer or a representative of such an affiliate;

(2) The member has only observer status on, and is not a voting member or the chair of, the audit committee; and

(3) Neither the member nor the affiliate is an executive officer of the foreign private issuer.

(E) An audit committee member of a foreign private issuer may be exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if that member meets the following requirements:

(1) The member is a representative or designee of a foreign government or foreign governmental entity that is an affiliate of the foreign private issuer; and

(2) The member is not an executive officer of the foreign private issuer.

(F) In addition to paragraphs (b)(1)(iv)(A) through (E) of this section, the Commission may exempt from the requirements of paragraphs (b)(1)(ii) or (b)(1)(iii) of this section a particular relationship with respect to audit committee members, as the Commission determines appropriate in light of the circumstances.

(2) Responsibilities relating to registered public accounting firms. The audit committee of each listed issuer, in its capacity as a committee of the board of directors, must be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the listed issuer, and each such registered public accounting firm must report directly to the audit committee.

(3) Complaints. Each audit committee must establish procedures for:

(i) The receipt, retention, and treatment of complaints received by the listed issuer regarding accounting, internal accounting controls, or auditing matters; and

(ii) The confidential, anonymous submission by employees of the listed issuer of concerns regarding questionable accounting or auditing matters.

(4) Authority to engage advisers. Each audit committee must have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties.

(5) Funding. Each listed issuer must provide for appropriate funding, as determined by the audit committee, in its capacity as a committee of the board of directors, for payment of:

- (i) Compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the listed issuer;
- (ii) Compensation to any advisers employed by the audit committee under paragraph (b)(4) of this section; and
- (iii) Ordinary administrative expenses of the audit committee that are necessary or appropriate in carrying out its duties.

The term *indirect* acceptance by a member of an audit committee of any consulting, advisory or other compensatory fee includes acceptance of such a fee by a spouse, a minor child or stepchild or a child or stepchild sharing a home with the member or by an entity in which such member is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to the issuer or any subsidiary of the issuer.

Related Party Transactions mean transactions or loans between the company and (a) enterprises that directly or indirectly through one or more intermediaries, control or are controlled by, or are under common control with, the company; (b) associates; (c) individuals owning, directly or indirectly, an interest in the voting power of the company that gives them significant influence over the company, and close members of any such individual's family; (d) key management personnel, that is, those persons having authority and responsibility for planning, directing and controlling the activities of the company, including directors and senior management of companies and close members of such individuals' families; and (e) enterprises in which a substantial interest in the voting power is owned, directly or indirectly, by any person described in (c) or (d) or over which such a person is able to exercise significant influence. This includes enterprises owned by directors or major shareholders of the company and enterprises that have a member of key management in common with the company. Close members of an individual's family are those that may be expected to influence, or be influenced by, that person in their dealings with the company. An associate is an unconsolidated enterprise in which the company has a significant influence or which has significant influence over the company. Significant influence over an enterprise is the power to participate in the financial and operating policy decisions of the enterprise but is less than control over those policies. Shareholders beneficially owning a 10% interest in the voting power of the company are presumed to have a significant influence on the company.

1. The nature and extent of any transactions or presently proposed transactions which are material to the company or the related party, or any transactions that are unusual in their nature or conditions, involving goods, services, or tangible or intangible assets, to which the company or any of its parent or subsidiaries was a party.
2. The amount of outstanding loans (including guarantees of any kind) made by the company, its parent or any of its subsidiaries to or for the benefit of any of the persons listed above. The information given should include the largest amount outstanding during the period covered, the amount outstanding as of the latest practicable date, the nature of the loan and the transaction in which it was incurred, and the interest rate on the loan. In addition, if the company, its parent or any of its subsidiaries is a foreign bank that has made a loan to which Instruction 2 of this Item does not apply, identify the director, senior management member, or other related party required to be described by this Item who received the loan, and describe the nature of the loan recipient's relationship to the foreign bank.
